8. 다음 글을 읽고 빈칸에 들어갈 가장 적절한 것을 고르시오.

Stereotypes are existent everywhere regardless of where you are and, whether you admit it or not, you sure are one of those who hold a certain stereotype. Whenever a long-time friend of mine with a penchant for fast driving spots a car driver who neglects to use a turn signal or drives under the speed limit, he says "Women drivers!" shaking his head. But how the hell does he know it's a woman driver? Everyone is trapped within stereotypes. However, stereotypes are, in many cases, completely inaccurate and generate prejudice. Stereotypes can not only alter the way we think, but can also limit our views. The fact that they are so deeply ingrained into our perception makes it \_\_\_\_\_. Although many understand that stereotypes are a far cry from the reality, they will never go away.

- ① easy to fall victim to the national stereotypes  
② important to understand how stereotypes threaten our perception  
③ difficult to separate one's actual thoughts with fixed ideas  
④ possible to believe in what others think of as truth
